Situated in a sought-after residential area of Bridlington, this one-bedroom semi-detached bungalow presents an excellent opportunity for buyers seeking a property with scope to modernise and add value.

The accommodation comprises a living room, kitchen, bathroom, and a well-proportioned bedroom, offering a practical layout that could be enhanced to suit a variety of needs. While the property would benefit from a programme of updating, it offers great potential for those looking to create a home tailored to their own style.

Externally, the bungalow benefits from low-maintenance gardens to both the front and rear, together with the advantage of off-road parking. The outdoor space is designed for ease of upkeep, with potential for further improvement if desired. The property is well positioned for access to local transport links, providing convenient connections to surrounding areas and amenities.

Please note that some of the marketing images have been digitally enhanced using AI technology to illustrate the property's potential following modernisation.
