Situated in the popular seaside town of Bridlington, this two-bedroom end-terrace home presents an excellent opportunity for first-time buyers, investors or those looking to create a home tailored to their own tastes. Offered to the market with ****no onward chain****, the property offers well-proportioned accommodation and a private rear garden, together with two parking spaces and a lawned frontage that sets the home pleasantly back from the kerb.

The ground floor features a welcoming living room with patio doors that open directly onto the rear garden, allowing natural light to fill the space while creating a seamless connection between indoor and outdoor living. The kitchen is well laid out and provides ample storage and workspace, while the convenience of a downstairs WC adds to the practicality of the home.

To the first floor are two comfortable bedrooms and a family bathroom, providing practical accommodation for modern day living.

Outside, the private rear garden offers a pleasant outdoor space with the potential to create a wonderful setting for relaxing, entertaining or family life. As an end-terrace property, the home also benefits from an attractive position with additional privacy. The front of the property is set behind a lawned frontage, enhancing kerb appeal, while two allocated parking spaces provide valuable off-street parking.
