Description

A well-presented two-bedroom terraced townhouse, refurbished in recent years and ideally located on Trafalgar Street West, within easy walking distance of Scarborough town centre.

The property offers practical and comfortable living, making it a great option for first-time buyers, downsizers, or investors. It also has a strong rental potential of approximately £750.00 pcm.

The accommodation briefly comprises an entrance hallway leading into a bay-fronted living room, which opens through to a separate dining area, creating a bright and functional living space. To the rear is a modern fitted kitchen with integrated oven and hob, along with access to an enclosed courtyard providing low-maintenance outdoor space.

To the first floor, there is a generous front-facing main bedroom with built-in wardrobes, a second well-proportioned bedroom, and a modern bathroom suite with separate shower. The property also benefits from double glazing and gas central heating.
