Tenure: Freehold

The front door of the property open into the Lounge. The Lounge is a generous size with a bay window flooding the space with natural light. Through a small Hall that houses the staircase you will find the large Dining Area that is an ample size for Dining Room furniture and leads off into the Kitchen which features a mix of floor and wall mounted units as well as some built in appliances such as a separate fridge and freezer. To the very rear of the property you will find the Bathroom which is complete with a walk in shower cubicle offering plenty of space. Moving

upstairs, the Landing allows entry into both Bedroom one, again a generous size with built in wardrobes, and Bedroom two which is also a large double bedroom. The property is the perfect project for investment or first time buyers to take on and turn this blank canvas into their dream home and offers an abundance of potential.

OUTSIDE

The front of the property has an area of hard standing which leads up to the front door and the side gate opening to a side passage to gain access to the rear garden. The rear garden is a surprisingly generous size for the property's proximity to the town and station. This West facing outdoor space provides a patio area creating the perfect space for garden furniture and barbeques in the warmer months.
