About the property

What the owner loves:

We love the light and space in the flat, along with its modern feel. It's great being so close to Walpole Park - perfect for an easy walk or some fresh air - and having great local coffee shops nearby (Doppio is a firm favourite). There are plenty of independent shops nearby too - some of which do amazing fresh bread!

We love how well connected it is too - Soho and central London are under 25 minutes away door-to-door, and Heathrow is just as quick in the other direction.
