Oldfield Brow _ Altrincham

Trafford Developments

Trafford Developments is delivering a range of high-quality, energy-efficient homes across the borough.

Specialising in residential development, we're focused on creating sustainable homes that meet the long-term needs of local communities.

Our homes are designed for modern living, using the latest construction methods and technology to minimise environmental impact. Wherever possible, we work with local suppliers to support the regional economy and reduce our carbon footprint.

We don't use standard house types. Instead, our in-house team collaborates with local architects and residents to design bespoke homes that reflect the community's identity and how people want to live.

Ortus_Gardens

Trafford Developments are proud to present Ortus Gardens, an exclusive new development in Oldfield Brow, featuring nine beautifully designed homes. Nestled in a picturesque, semi-rural setting overlooking the canal, Ortus Gardens offers a thoughtfully curated collection of high-quality homes, blending modern living with a tranquil, scenic environment.

Ideally located, Ortus Gardens is within easy reach of highly regarded local schools, charming village shops, and expansive green spaces, while Altrincham town centre is just a five-minute drive away.

Each home is arranged over three spacious floors and features five generously sized bedrooms. The principal bedroom occupies the top floor, complete with a private en-suite and dressing room or storage space. The first floor accommodates four additional bedrooms and a family bathroom, with detached properties also benefiting from an additional en-suite. The ground floor is designed for modern living, offering an impressive open-plan kitchen and dining area, a separate lounge or snug, a utility room, and a convenient downstairs WC.

Ortus Gardens has been designed to deliver low-carbon, energy-efficient living, helping residents benefit from lower bills and a reduced environmental impact. With EPC A-rated homes, solar panels, air source heat pumps and other advanced technologies, each property supports comfortable, sustainable living. The air source heat pumps adapt efficiently to each home's usage patterns, helping to reduce energy consumption, lower running costs and minimise residents' carbon footprint.

Homes are scheduled for completion in early 2027.

DEVELOPMENTS**

Altrincham

Nestled in one of Cheshire's most sought-after residential locations, Ortus Gardens offers an exceptional opportunity to experience the very best of Altrincham living.

Backing directly onto the stunning grounds of Dunham Massey, residents enjoy a seamless blend of picturesque countryside and tranquil canal-side walks along the Bridgewater Canal, all while being just moments away from Altrincham's vibrant town centre. Home to independent boutiques, cafés, and everyday amenities, which provide everything needed for modern living.

A perfect balance of tranquillity and convenience, ideally suited to families, professionals, and those seeking a more considered pace of life.

Despite its peaceful surroundings, Ortus Gardens benefits from excellent connectivity. Altrincham town centre is just a five-minute drive away, offering access to the Metrolink with direct services to Manchester city centre and Manchester Airport. The development is also well positioned for easy access to the M56 and M60 motorways, making travel across the Northwest both simple and efficient.

Altrincham is renowned for its strong sense of community, outstanding schools, and vibrant local culture. Regular events, a thriving high street, and a welcoming atmosphere have established the town as one of the most desirable places to live in the region.

We believe this is what makes the location so special: the ability to enjoy Altrincham at its best, then return to a home setting shaped by calm, space and natural surroundings.

Community & Nature

Community

Altrincham town centre is an award-winning destination, centred around the iconic Altrincham Market. This beautifully restored historic landmark has become a vibrant hub for local life, offering a carefully curated mix of artisan food vendors, independent retailers, and social dining experiences. A rich calendar of community festivals and cultural events celebrates the town's heritage and diversity, creating a lively, welcoming atmosphere that brings residents together throughout the year.

Nature

Ortus Gardens enjoys a unique position, offering easy access to both the vibrancy of Altrincham town centre and an abundance of nearby green spaces. A variety of scenic walking routes and parks are within easy reach, with the Bridgewater Canal just moments away. This picturesque waterway forms part of an extensive network of trails, connecting Altrincham to neighbouring towns and stretching as far as Manchester. The development also backs directly onto Dunham Massey, a National Trust estate featuring a 300-acre deer park, historic house, and beautifully maintained gardens to enjoy in every season.

Education

Altrincham is widely recognised as one of the North West's most desirable locations for families. The town is home to an excellent selection of highly regarded primary and secondary schools, many of which have achieved Outstanding or Good Ofsted ratings and are celebrated for their academic achievement, supportive environments, and strong community values.

Primary Education

Families at Ortus Gardens have access to a number of exceptional primary schools, renowned for their high standards, nurturing approach, and commitment to pupil development. Notable schools include:

- Oldfield Brow Primary School
- St Vincent's Catholic Primary School
- Bowdon CofE Primary School

Secondary Education

Altrincham's reputation for educational excellence continues at secondary level, with some of the region's most prestigious schools located close to Ortus Gardens.

- Altrincham Grammar School for Girls (AGGS) and Altrincham Grammar School for Boys (AGSB) consistently rank among the highest-performing state schools in the country and are both within easy reach.
- Loreto Grammar School, a Catholic grammar school for girls and winner of the North West State Secondary School of the Year 2025 award, further reinforces Altrincham's status as one of the UK's leading destinations for family living and academic success.
- St Ambrose College, a Catholic grammar school for boys, is nationally recognised through prestigious teaching awards and has a proud tradition of academic excellence, personal development, and values-led education.
- North Cestrian School is a highly regarded non-selective secondary school in Altrincham, recognised for its strong emphasis on character development, academic achievement, and supportive learning environment. The school benefits from a positive Ofsted inspection and a long-standing reputation within the local community.
- Ortus Gardens also falls within the catchment area for Sale Grammar School, an Outstanding school celebrated for its exceptional student achievements and consistently ranked among the country's highest performing state schools.

Site_Plan

Ortus Gardens is an exclusive development in Oldfield Brow consisting of nine properties; 5 detached and 4 semi-detached.

Set in a semi-rural, picturesque location, looking onto the canal front, Ortus brings a diverse mix of new homes to market.

- **Downstairs WC**
- **2 Private Parking Spaces**

The open-plan kitchen and dining area forms the centre of the ground floor, creating a generous setting for family meals, entertaining and relaxed weekend living. Large areas of glazing and garden access help draw natural light through the space, giving the room a bright and welcoming atmosphere.

A separate living room provides contrast, a quieter, more formal room for evenings, guests or family downtime. Practical features including a downstairs WC, storage and two private parking spaces support the demands of day-to-day life without compromising the sense of refinement.

Upstairs, the five-bedroom layout offers excellent flexibility. The principal bedroom suite provides a private retreat, while the remaining bedrooms can accommodate children, guests, work-from-home space or dressing areas as family needs evolve.

The ground floor offers a strong sense of arrival and flow, with an open-plan kitchen/living area designed to act as the everyday heart of the home. This is a space for cooking, gathering and informal entertaining, practical enough for family routines, yet generous enough to feel impressive.

A separate dining room adds a more refined space for hosting, while the snug gives the home valuable flexibility. It could become a playroom, cinema room, study, reading room or second sitting area depending on the needs of the household.

The upper floors provide five bedrooms, including a principal bedroom with en-suite facilities. This arrangement gives families the ability to grow into the home, with rooms that can adapt over time.

The open-plan kitchen/living space creates an inviting centrepiece, ideal for modern family life. Its generous proportions allow for relaxed dining, informal seating and everyday connection, while the wider ground floor arrangement provides clear separation between social spaces and quieter rooms.

A dedicated dining area gives the home a sense of occasion, perfect for entertaining or family celebrations. The additional snug brings further flexibility and could be used as a home office, children's lounge, media room or calm retreat away from the main living space.

Across the upper floors, five bedrooms provide substantial accommodation. The principal suite has been designed as a private sanctuary, with en-suite facilities and space for storage or dressing. Additional bedrooms provide excellent flexibility for children, guests or hybrid working.
