Offers In The Region Of £225,000

A spacious three-bedroom semi-detached home offering excellent potential for buyers looking to put their own stamp on a property. Occupying a generous plot with gardens and off-road parking, the property provides approximately 986 sq ft of accommodation and would now benefit from a programme of modernisation and general improvement.

The ground floor comprises an entrance hall, a particularly generous through living room and a large kitchen extending across the rear of the property, while to the first floor are three bedrooms and a family bathroom.

A particularly appealing feature is the 'approved planning permission for a two-storey side extension', providing exciting scope to significantly increase the accommodation and enhance the property further.

With well-proportioned rooms, good outside space and considerable potential both in its existing form and through the approved extension, this is an excellent opportunity for buyers seeking a substantial family home they can improve to their own taste. Early viewing is recommended to fully appreciate the space and possibilities on offer.
