Offers In The Region Of £249,950

A substantial three-bedroom semi-detached home occupying a generous plot in the popular village of Riddlesden. Offering approximately 1,276 sq ft of accommodation, the property is now in need of modernisation throughout but presents an excellent opportunity for buyers looking to create a home to their own taste.

The accommodation begins with an entrance porch leading into a traditional hallway. There are two well-proportioned reception rooms, including a spacious living room to the front and a separate dining room overlooking the rear garden. The kitchen is fitted with a range of units and leads through to a useful utility room, with a ground-floor WC beyond.

To the first floor are three bedrooms, including two generous doubles, together with a house bathroom incorporating both a bath and separate shower. The property also retains a number of attractive period-style features, including decorative glazing.

Externally, the property really comes into its own. A long driveway runs down the side of the house, providing ample off-road parking and leading to a detached garage.

To the rear is an exceptionally large garden, offering considerably more outdoor space than is typically found with similar semi-detached homes. The garden includes paved and decked areas, lawned sections, mature planting and a greenhouse, with plenty of scope for further landscaping.

Whilst the property requires a programme of updating, the combination of its generous internal accommodation, extensive parking and particularly large garden makes this an exciting opportunity with excellent potential.

Viewing is strongly recommended to appreciate the size, plot and possibilities on offer.
