Warrior Gardens, St Leonards-On-Sea, TN37 6EB

Looking for a bright one-bedroom flat near the sea and close to the station? This apartment in Warrior Gardens has large windows with a view directly towards the sea, a separate kitchen with space to dine, and sits right near the heart of central St Leonards.

Set on Warrior Gardens, this one-bedroom apartment is well placed for access to both the beach and the centre of St Leonards. The building sits just a short walk from the station, making it handy for commuters or those needing a regular link to London and beyond.

The flat has a traditional layout, with a good-sized living room that's particularly bright thanks to three tall windows facing towards the sea. There's enough space for a sitting area and a desk or small table without feeling cramped. The kitchen is separate and practical, with space for dining, and a window that keeps it light through most of the day.

A hallway connects the rooms, with enough width to make it feel like a proper part of the flat rather than just a corridor. The home also has the benefit of being newly carpeted throughout alongside new flooring in the kitchen.

The bedroom is light and spacious enough for a double bed and storage. The bathroom is tucked off the kitchen and has been recently updated and refurbished.

It's the kind of flat that could work as a home, a second place by the coast, or as a rental investment — and the location means it rarely sits on the market for long.
