The Property

Having just undergone an extensive refurbishment, this elevated 1930/40's semi-detached house has the perfect mix of the old and the new. As you enter through the storm porch, you are greeted with the original stained glass windows, front door and welcomed into a spacious hallway with solid oak flooring that continues through the whole of the ground floor. The living room still boasts the round bay window letting plenty of natural light from the front. The kitchen/diner at the rear has been remodelled with a brand new kitchen, and bi-fold doors overlooking the rear garden and the Church standing stoically in the background, the perfect place to sit with a cuppa and a book on a sunny afternoon. Upstairs there are three bedrooms, two spacious doubles and a single. The main bedroom located at the front also has the round bay and overlooks The Meadows to the right. The second bedroom at the rear overlooks the garden again, and the third is currently being used as a study. All three are served by a modern shower room.

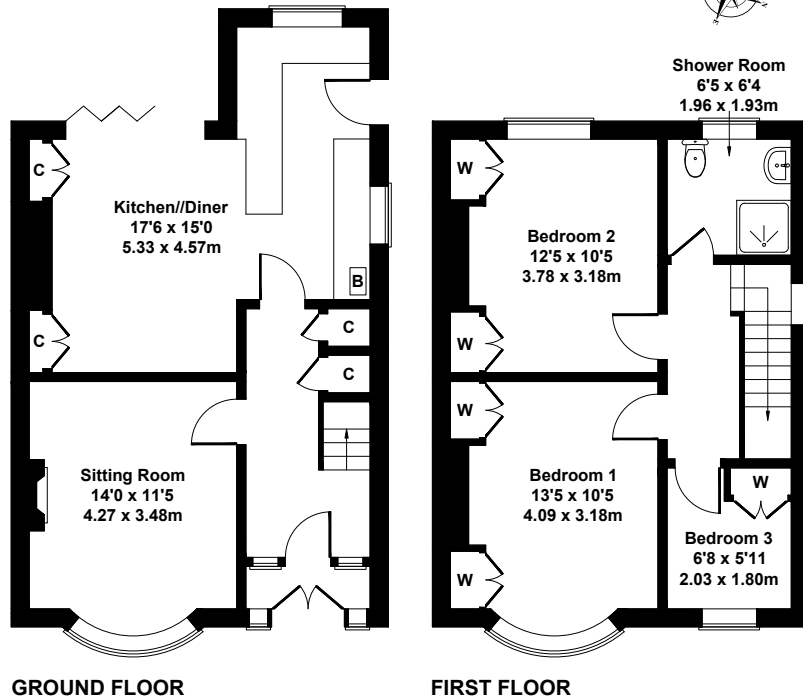

Outside

From the pavement steps lead up the path through the front lawns to the front door. The path continues around the side to the rear, where there is a paved patio, and steps leading to a lawn and further patio. The path then leads past the wooden shed to a further lawn, which is bordered with mature shrubs and secured with fences all around.
