Beyond, the spacious sitting room is a welcoming room, centered around a feature fireplace and framed by large windows which look over the lawn. The overall layout has been carefully considered, providing a wonderful balance of open-plan living and quieter spaces, perfectly suited to modern family life.

The bedroom accommodation is equally impressive. The principal suite is a particularly special space, enjoying floor-to-ceiling glazing that captures the far-reaching countryside views and fills the room with natural light. Complete with a private terrace, ensuite shower room and feature log burner, it creates a sanctuary with a warm and inviting atmosphere.

Three further bedrooms provide flexible accommodation for family members and guests alike. Each enjoys its own outlook over the gardens or surrounding countryside, creating a sense of tranquility throughout. One bedroom benefits from an adjoining gym area, offering potential for a dressing room, private study or wellness space depending on individual requirements. These rooms are served by a beautifully appointed family bathroom, finished to a high standard and providing a touch of everyday luxury.
