SWANSMERE

MERE

LAST ONE REMAINING!

Beautifully refurbished and extended, **The Swan** is now the last remaining luxury home available to reserve at the stunning **Swansmere** development

Ready for occupation, **The Swan** is an impressive 5 bedroom home, and is a real highlight of this exclusive development at **Mere**, just 4 miles from the centre of **Knutsford**.

Once part of the original Swan Public House, the generous internal layout sympathetically blends the historic fabric of the building with all the advances and enhancements modern construction techniques provide.

On the ground floor, the kitchen/family/dining room opens via sliding folding doors onto a natural stone paved patio, and upstairs, the master bedroom suite makes a real statement.

Outside, a sweeping driveway and detached double garage in matching white render add real value to this premium plot, and the breathtaking unbroken Cheshire countryside views to the South are a sight to behold...

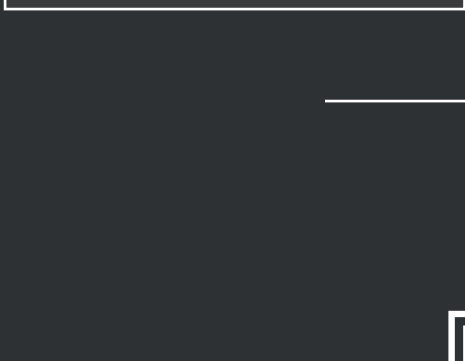

The luxury family homes at **Swansmere** combine relaxed rural living with a vast range of attractions and amenities!

In the heart of **Mere** and within easy reach of **Knutsford**, with plentiful restaurants, bars, shops and leisure facilities, a choice of outstanding local schools, plus the attractions of **Dunham Massey** and **Tatton Park** all on its doorstep, life here promises the very best the county has to offer.
