This attractive detached property offers well-proportioned and highly adaptable accommodation arranged over two floors, set within a generous plot of 1.2 acres (approximate) within a peaceful semi-rural setting on the edge of the village. The property was constructed in 1994. The house is approached via a gravel driveway providing ample parking, with the property itself well screened by mature planting, creating a sense of privacy from the outset.

Internally, the ground floor provides a flexible layout suited to a variety of lifestyles. There are two generous reception rooms, including a principal living room, together with a further reception room ideal as a sitting room, snug or home office. To the rear, a bright and airy sunroom overlooks the garden and provides an additional reception space, perfect for dining or day-to-day living.

To the first floor, the accommodation continues to impress with three well-proportioned bedrooms. The principal bedrooms are comfortable doubles, while a particularly large third bedroom offers versatility and could equally serve as an additional reception space if required. A walk-in wardrobe and bathroom facilities in bedroom one completes the first floor.

Externally, the property benefits from a substantial detached garage arranged over two floors, extending to approximately 669 sq ft, offering excellent storage, workshop space or potential for alternative uses, subject to any necessary consents.
