Further benefits include gas central heating, double glazing throughout and an allocated parking space, giving buyers everyday comfort and convenience.

The setting is a major part of the appeal. Lancaster Way forms part of The Hamptons, a popular and distinctive development in Worcester Park, known for its attractive architecture, landscaped surroundings and generous communal green spaces. The wider estate provides a pleasant environment with parkland, walking areas and a strong sense of space, making it a very different feel from many modern apartment developments.

Worcester Park offers a good range of local shops, cafés, restaurants and everyday amenities, while nearby transport links provide access towards surrounding towns and into London. The location should appeal to commuters, first-time buyers, downsizers and those wanting a well-presented home in a desirable KT4 setting.

A superb apartment in a highly regarded development — early viewing is strongly recommended.
