A Remarkable Luxury Holiday Lodge in the Surrey Hills National Landscape

As a lodge owner, you will have full access to an impressive range of on-site facilities, including a heated indoor swimming pool, sauna, fitness suite, tennis court, children's play area and picnic areas. Pitch fees for 2025/26 are £7,690 per annum, which includes WiFi, gym, pool, tennis court and garden maintenance, with rates, water and sewage charges of approximately £961.47 for 2025.

The Surrey Hills National Landscape stretches across a quarter of Surrey, running from Farnham and Haslemere in the west through to Guildford, Dorking, Reigate and Oxted in the east, and holds equal landscape status and protection to a national park. Surrey is the most wooded county in England, and the landscape sits within the London greenbelt.

Despite this wonderfully rural setting, the location is remarkably well connected. London is just 25 miles to the north, with Guildford approximately 15 miles to the west. For those travelling further afield, London Gatwick Airport is approximately 15 miles away, London Heathrow approximately 19 miles, and Farnborough Airport just 13 miles distant. The Sussex coast and the South Downs National Park are also within comfortable driving distance, making this an ideal base from which to explore the very best of the South East.
