The internal accommodation comprises: An entrance vestibule that leads into an entrance hall providing access to two reception rooms and the staircase to the first floor. The entrance hall has LVT flooring running through into both reception rooms on the ground-floor level.

The front reception room/lounge is a good size, with tall ceilings and benefits from a feature fireplace, plantation shutters, ornate cornicing, and bespoke fitted alcove units. The rear reception room, currently set up as a dining room, is again of a generous size with tall ceilings, an exposed Inglenook chimney breast with wood burning stove, and LVT flooring continuing throughout. This space also provides access to an under-stairs store cupboard and into the kitchen.

The kitchen has been re-fitted by the current owners, and provides a range of fitted wall and base units and integrated appliances, and runs through into an extended sunroom to the rear of the property. The sunroom, which was rebuilt in recent years, offers sliding doors to the rear yard and an abundance of natural light flowing through into the kitchen.

The staircase then leads to the first-floor landing, which provides access to a stylish, re-fitted family bathroom with tiled walls and a four-piece suite, as well as two double bedrooms. The rear bedroom is currently used as a nursery and features tall ceilings, while the front bedroom is a full-width double with fitted chest of drawers and an open aspect. The second-floor landing provides access to a further good-sized double bedroom with multiple 'Velux' windows and an additional en-suite bathroom with a three-piece suite.

Externally, to the rear is an enclosed courtyard with walled boundaries and gated access to the rear service lane, whilst to the front is a pleasant, west facing town garden which is laid mainly to lawn.

Well presented throughout, early inspections are deemed essential.
