An entrance hall provides convenient access to the integral garage on the left and, to the right, a bright lounge which offers dual-aspect windows over the front of the property. Back into the hallway, there are stairs leading to the first floor along with a convenient under-stair storage cupboard. The spacious open-plan kitchen, dining and family room is at the rear of the home and enjoys a range of fitted wall and base units, as well as a central island. There are integrated appliances, including a gas stove with an extractor over the island. The room benefits from windows and French doors out to the rear garden, bringing an abundance of natural light into the space. From here, there is access to a convenient utility area with plumbing for a washer and dryer, and this in turn leads to a convenient ground-floor WC.

Stairs lead to the first-floor landing, which provides access to four well-proportioned bedrooms, two with built-in wardrobes, and the principal bedroom benefiting from walk-in wardrobes leading to an en-suite shower room comprised of a three-piece suite. A remodelled family bathroom complete with bath and shower and a convenient storage cupboard complete the first-floor accommodation.

Externally, the property enjoys a double driveway with parking for two vehicles, as well as a front lawn. A rear garden, enclosed with timber fencing and laid mainly to lawn with paved patio seating areas, provides the ideal space for family life and entertainment.
