Positioned to the third floor, the internal accommodation briefly comprises: an entrance vestibule which leads through to a central hallway with luxury 'Karndean' flooring providing access to all areas of the home. Immediately to the left is the master bedroom, which benefits from bespoke plantation shutters, built-in cupboards with mirror-fronted sliding doors and a modern, re-modelled, fully tiled en-suite shower room comprising a WC, washbasin and walk-in shower.

Continuing along the hallway are two further well-proportioned bedrooms, both doubles with bedroom two featuring bespoke plantation shutters, and bedroom three (currently set up as an office) benefitting from bespoke fitted wardrobes and 'Karndean' flooring.

These two bedrooms are served by a stylish family bathroom, which has been re-fitted by the current owners and now features quality fixtures and fittings supplied by both 'Rak' and 'Roca' and benefits from marble effect tiling to the floor and walls, WC, a double vanity unit and a bath with overhead shower. Two useful storage cupboards are also located along the hallway between the bedrooms.

To the end of the hallway is a spacious 20ft lounge featuring a real flame gas fire with a beautiful Portuguese limestone surround and granite hearth, which in turn leads into a modern recently re-fitted open-plan kitchen and dining room, with bespoke fitted plantation shutters. The kitchen is well equipped with integrated appliances including a hob, oven and extractor fan, along with ample wall and base units providing excellent storage and generous work surface space.
