The internal accommodation comprises a welcoming entrance hallway with useful storage beneath the stairs and access to the principal living areas. To the front, there is a well-proportioned and tastefully decorated lounge featuring a bay window, allowing for an abundance of natural light. To the rear, an impressive open-plan kitchen and dining area provides a generous and highly sociable space, ideal for both everyday living and entertaining, with bi-fold doors opening onto the patio and creating a seamless connection between indoor and outdoor living.

The kitchen has been upgraded to a high specification, reflecting the property's original showhome design, and is fitted with a range of integrated appliances including a fridge, freezer, dishwasher, induction hob and double oven, alongside ample space for dining. The ground floor further benefits from a separate utility room with additional worktops, storage and space for appliances, as well as a larger-than-average WC. Excellent storage is provided throughout.

To the first floor, the landing provides access to four well-proportioned double bedrooms and the family bathroom, along with additional storage. The principal bedroom features bespoke built-in storage and a stylish en-suite shower room, complete with a large walk-in shower, heated towel rail, partially tiled walls and contemporary fittings. Two further bedrooms benefit from built-in wardrobes, and all are served by a well-appointed modern family bathroom fitted with a bath and overhead shower, fully tiled walls, a heated towel rail and a contemporary sink with low-level WC.

Externally, the property enjoys an attractive position overlooking a green to the front, with a driveway providing off-street parking for multiple vehicles in addition to an attached garage. To the rear, the private garden is beautifully landscaped and well-established, featuring mature planting, a patio seating area and secure fenced and hedged boundaries, with both a side access gate and an additional secondary access point providing excellent practicality and convenient access to the rear garden. This creates a private and highly usable outdoor space rarely found on newer developments.
