The two bedroom Canford is a modern home ideal for first time buyers or those looking to downsize.

The Canford has a traditional design with driveway parking to the side of the home.

An open plan lounge with space for dining feels light and modern with French doors leading out to the rear garden, great for entertaining or hosting those summer BBQ's. A contemporary fitted kitchen, useful downstairs cloakroom and an essential storage cupboard complete the ground floor.

Upstairs there's a double bedroom with storage cupboard, a further double bedroom and a separate bathroom.

Kingston Park is within easy reach thanks to a new link road, offering a range of amenities. A public transport service links to Regents Centre metro station and access to the A1 and A19 is both easy and convenient.
