The internal accommodation briefly comprises: Entrance hall, which in turn provides access to two well-proportioned reception rooms, one living room and one dining room, both featuring stone surround fireplaces with wood-burning stoves, and both enjoying delightful open aspect views out over the surrounding countryside.

To the rear of the property is a generous kitchen/breakfast room, which is fitted with a range of wall and base units, and provides further access to a side lobby with a convenient ground-floor WC and a door leading out to the rear driveway and gardens. To the side of the kitchen is a utility room and store.

The stairs then lead to the first floor, where the landing provides access to three bedrooms, two of which are comfortable doubles and benefiting from built-in storage, along with a family bathroom with three piece suite. Bedroom three is a smaller single room or is also a perfect study.

Externally, the property benefits from two outbuildings and a single garage, which could provide a superb opportunity for further extension/development to the rear (which would also allow for additional ground floor space and a fourth bedroom should it be desired).

****The vendors have informed that there is potential to purchase an additional parcel of land of around 1-2 acres (available via separate negotiation) should it be required****

Available with vacant possession, this is an excellent opportunity and early viewings are highly recommended to fully appreciate the opportunity that is available in this outstanding countryside position.
