Internally, the property has a generous amount of social space, briefly comprising: entrance, lounge to the front with bay window, to the rear of the property is the open plan family room, with a seating area around the log burner, kitchen with breakfast bar and integrated appliances and dining space. There are two sets of French doors leading out to the large west-facing rear garden. The rest of the ground floor is made up of a utility room, downstairs WC and integral garage.

On the first floor there are four good size double bedrooms, the main with en-suite, and the family bathroom. Both bathrooms have been upgraded by the current owners and are fitted to a high standard.

Externally, the property has a driveway and garden to the front, whilst the west-facing rear garden offers plenty of outdoor space, with the added benefit of a garden room. Currently being used as a bar, this flexible space could also be an ideal home office or workshop.
