The internal accommodation comprises: an impressive communal entrance and reception area with lift access to the apartment level. This penthouse occupies an enviable top-floor position within the iconic Wills Building, a landmark Newcastle conversion renowned for its character and history. A small step leads to the apartment entrance, where two hallways provide a welcoming sense of privacy and seclusion from the front door, along with an ample storage cupboard.

The accommodation is then arranged entirely on one floor, creating a practical and convenient layout. The apartment also benefits from full secondary double glazing throughout. The lounge is undoubtedly one of the standout features of the apartment, providing a bright and welcoming living environment with elevated views across Newcastle and the surrounding area. Positioned separately from the main living space is the well-presented kitchen, fitted with a range of wall and base units and offering a dedicated cooking area with ample storage and preparation space.

The apartment further benefits from two well-proportioned bedrooms. The principal bedroom is a generous double room with its own en suite, whilst the second double bedroom, currently utilised as a nursery, offers flexible accommodation suitable for a guest bedroom, home office or child's room. The family bathroom completes the internal accommodation.

Externally, the property benefits from an allocated parking space together with a private garage, a particularly valuable feature and one not commonly available within the development. The building itself benefits from secure communal areas and lift access, enhancing the appeal of this unique penthouse apartment.
