The internal accommodation comprises: an entrance hallway leading through the ground floor, where the spacious L-shaped living and dining room sits to the front of the property. A large picture window fills the room with natural light, while a feature fireplace creates a central focal point. Stairs lead up to the first floor from the living area, and a glazed internal door opens into a separate reception room, offering flexibility as a dining room, snug or family room. From here, the kitchen is fitted with wall and base units, tiled flooring, an inset sink positioned beneath a wide rear-facing window, space for appliances, a built-in double oven, a gas hob, and a rear access door. A convenient shower room completes the ground floor.

The generous reception spaces provide excellent versatility for family life, with the front living room offering ample room for both seating and dining arrangements.
