Referral Fees

We can confirm that if we are sourcing a quotation or quotations on your behalf relevant to the costs that you are likely to incur for the professional handling of the conveyancing process. You should be aware that we could receive a maximum referral fee of approximately £175 should you decide to proceed with the engagement of the solicitor in question. We are informed that solicitors are happy

to pay this referral fee to ourselves as your agent as it significantly reduces the marketing costs that they have to allocate to sourcing new business. The referral fee is NOT added to the conveyancing charges that would ordinarily be quoted.

We can also confirm that if we have provided your details to Infinity Financial Advice who we are confident are well placed to provide you with the very best possible advice relevant to your borrowing requirements. You should be aware that we receive a referral fee from Infinity for recommending their services. The charges that you will incur with them and all the products that they introduce to you will in no way be affected by this referral fee. On average the referral fees that we have received recently are £218 per case.

The same also applies if we have introduced you to the services of our panel of surveyors who we are confident will provide you with a first class service relevant to your property needs. We will again receive a referral fee equivalent to 10% of the fee that you pay capped at £200.00 This referral fee does not impact the actual fee that you would pay had you approached any of the panel of surveyors directly as it is paid to us as an intermediary on the basis that we save them significant marketing expenditure in so doing. If you have any queries regarding the above, please feel free to contact us.
