**54 Acre End Street
Eynsham, Oxfordshire**

Offers Over £800,000

54 Acre End Street, Eynsham, Oxfordshire, OX29 4PD Offers Over £800,000 Freehold

A stone-built period village house within walking distance of the excellent local amenities and the rare advantage of a gated driveway, a large garage, and a delightful well tended garden. The property has features that include exposed beams, an open fireplace, latch doors, timber framed double glazing, and exposed floor boards. More modern finishes compliment the period features and the well proportioned accommodation includes two second floor attic rooms. The front-facing beamed sitting room has exposed floorboards and a fireplace. This leads to the Kitchen/Diner forming part of a rear extension. Off the kitchen lies a small inner lobby with cloakroom and staircase to the first floor. The large master bedroom is at the rear of the house with dormers facing the driveway/garden, and an en-suite shower. There are two further bedrooms and a family bathroom on the first floor along with a staircase to the two second floor attic rooms.

Outside, electric gates give access to the secure driveway with ample off-road parking and a large stone-built garage with light and power. The well stocked garden (excluding the driveway) extends to approximately 80' in length, widening at the far end.

Period homes of this type with a private driveway and garage in the old village centre are extremely rare, and viewing is highly advised.
