The Town

Nailsea is the smallest of North Somerset's four principal towns and is particularly conveniently placed for Bristol, which lies approximately 8 miles away.

The town centre is barely more than a five-minute walk from the property and offers an excellent range of everyday amenities, including Tesco and Waitrose supermarkets, doctors' and dental surgeries, a Post Office, library and pedestrianised shopping centre with a mixture of nationally known names and independent retailers. There is also a good selection of cafés and restaurants together with a leisure centre and gym.

Despite its excellent accessibility, Nailsea is surrounded by attractive North Somerset countryside and is well placed for travel to the other principal centres in the area. The town also provides access to the Sustrans National Cycle Network, with established routes towards Bristol and other destinations.

Junctions 19 and 20 of the M5 are both within approximately 6 miles, providing convenient access to the national motorway network. Mainline rail services are available from Nailsea & Backwell station, which is within walking distance and offers direct services to destinations including Bristol, Filton Abbey Wood, Bath and London Paddington.
