Situated within a popular residential area of Guisborough, this well-presented three-bedroom semi-detached home on Rievaux Way offers spacious and versatile living accommodation within an established and highly sought-after neighbourhood. The property enjoys a convenient position, just a short walk or drive from Guisborough town centre, providing easy access to local shops, amenities, and well-regarded schools.

The home is light and airy throughout, beginning with a welcoming entrance that leads into a generous lounge, ideal for relaxing and family living. A separate dining room provides an excellent space for entertaining, while the galley-style kitchen offers practicality and functionality for everyday use. To the rear, the property has been extended, creating a useful utility room and a bright sunroom which overlooks the rear garden and provides an additional living space to enjoy throughout the year.

Upstairs, the property offers three good-sized bedrooms along with a family bathroom. A boarded loft space adds valuable storage and presents potential for conversion into a fourth bedroom, subject to the necessary permissions.

Externally, the property benefits from off-street parking to the front, while to the rear there is a garage currently used for storage along with the garden, providing useful outdoor space.

This is a fantastic family home in a desirable location, offering scope for further development while already providing generous accommodation.

We have been advised that there is Cleveland Shale in the property. There is Shale report on file for buyers to view.
