A unique opportunity to acquire a three-bedroom semi-detached dormer bungalow, occupying an enviable and substantial corner plot in a popular residential location.

The property enjoys lovely views across the surrounding countryside and benefits from an impressive amount of off-street parking, together with a detached garage. The generous plot also provides excellent potential for those looking to create their ideal outdoor space.

Internally, the accommodation offers three good-sized bedrooms, with the dormer providing additional versatile space. While the property would benefit from some modernisation throughout, it has already undergone a number of significant improvements in recent years, including new windows throughout, a new roof, with the dormer re-clad and insulated. The property also benefits from a new boiler and central heating system.

With its generous corner plot, countryside views and substantial recent investment, this is a property offering excellent potential for buyers looking to put their own stamp on a home in a desirable Marske location.
