Behind the gated frontage of this impressive, detached family home lies a property designed around modern family living, entertaining, and everyday comfort.

From the moment you arrive, the home makes a statement with its generous block-paved driveway, landscaped frontage, and attractive position.

Step inside and the atmosphere immediately feels warm and welcoming. The spacious living room forms the heart of the home — a beautifully presented space perfect for relaxed evenings, family gatherings, or cosy nights in. Double doors flow seamlessly into the formal dining room, creating an ideal layout for entertaining.

The kitchen has been designed for busy family life, offering extensive worktop space, ample storage, and an open connection into the stunning orangery extension. Flooded with natural light from the glazed lantern roof, this exceptional space transforms everyday living — whether enjoying morning coffee, hosting dinner parties, or simply unwinding while overlooking the garden.

A separate snug adds another dimension to the home, providing a cosy retreat with character brick walls and garden views — perfect as a cinema room, reading lounge, or peaceful escape from the main living areas.

Upstairs, the property continues to impress with four well-proportioned bedrooms. The principal suite offers fitted wardrobes and a stylish modern en-suite, while the remaining bedrooms provide flexibility for growing families, guests, or home working. The contemporary family bathroom has also been thoughtfully updated with clean modern finishes.

Outside, the rear garden has been carefully landscaped to create a private and relaxing environment with lawn, patio seating areas, and mature planting. It's a garden designed equally for summer entertaining and peaceful evenings outdoors.
