Tucked within a modern development, this three-bedroom home is designed for easy, everyday living with a sociable, relaxed feel throughout.

Step inside and you'll find a layout that just works—light-filled spaces that flow from the living room through to a dining area where French doors open out to the garden, making it just as suited to quiet evenings as it is to hosting friends and family. The kitchen is sleek and practical, with everything close to hand, while a handy downstairs WC keeps things running smoothly.

Upstairs, three well-sized bedrooms offer flexibility for modern life—whether that's space for a growing family, guests or a home office—with the main bedroom enjoying its own en-suite for a little extra comfort.

Outside, the private rear garden is a great extension of the home—perfect for summer evenings, weekend barbecues or simply unwinding. With a driveway and garage, there's space for the practical side of life too.

All set in a convenient location close to local amenities and transport links, this is a home that feels easy to live in from the moment you walk through the door.
