Tucked away within the charm and tranquillity of Carlton village, this beautifully presented cottage offers far more than a home — it offers a lifestyle.

Step inside and you're instantly welcomed by the heart of the home: a stunning inglenook fireplace with solid fuel stove, creating the perfect setting for cosy evenings, winter warmth, and that unmistakable cottage atmosphere.

Outside, life slows down. A delightful courtyard and traditional cottage garden provide a private haven to enjoy morning coffee, summer evenings, or simply the peace of village living. With off-road parking, practicality meets charm.

To the rear, a versatile garden room offers endless possibilities — a peaceful workspace, hobby room.

Upstairs, the magic continues. Vaulted bedroom ceilings create a wonderful sense of space and character, while one bedroom features roof lights perfectly positioned above the bed — offering something truly special...

on clear nights, you can lie back and watch the stars from the comfort of your own bed.
