## DESCRIPTION

One of the largest homes within the development, this impressive detached executive four-bedroom property offers generous and versatile accommodation, ideal for modern family living.

A welcoming entrance hallway provides a spacious first impression, featuring an inset doormat, staircase rising to the first floor and a double cloaks cupboard. To the right, a superb open-plan kitchen diner forms the heart of the home. The kitchen is fitted with contemporary white gloss wall and base units, complemented by light wood-effect laminate worktops, a stainless steel 1½ bowl sink with drainer, a six-burner gas hob with extractor over, and double eye-level electric ovens. Further benefits include an integrated dishwasher, space for a tall fridge freezer, and an Ideal boiler discreetly housed within a wall unit. French doors open directly onto the rear garden.

The dining area is generously proportioned, featuring a bay window to the front and ample space for a family dining table. A door leads to the useful utility room, which offers matching units, worktop, plumbing for a washing machine, space for a tumble dryer and an external door to the rear garden.

The property benefits from two reception rooms. The principal living room is a spacious and light-filled area with windows to the front and side, in addition to French doors opening onto the rear garden. The second reception room provides flexible accommodation, ideal for use as a home office, snug or playroom. A ground floor WC completes the downstairs layout.

To the first floor are four well-proportioned double bedrooms. The principal bedroom is a standout feature, offering dual-aspect windows, fitted wardrobes and an en-suite shower room comprising a double shower, wash hand basin and WC. The remaining bedrooms are served by the family bathroom, which includes a panelled bath, separate shower enclosure, wash hand basin and WC. The landing also provides access to an airing cupboard housing the hot water cylinder and access to the loft space.

Externally, the front and side gardens are laid mainly to lawn with mature shrubs and planting, alongside a paved pathway leading to the front door. A long tarmac driveway provides ample off-street parking and leads to a detached, oversized garage with a

workshop to the rear. The rear garden is attractively landscaped, predominantly laid to lawn with a paved patio area, mature borders, and is enclosed by a combination of timber fencing and brick walling.
