DESCRIPTION

The property is entered via a uPVC front door into an entrance vestibule, with a further door opening into a spacious and welcoming central hallway. There is access to a partially boarded loft space, which benefits from approximately 12 inches of insulation and fitted lighting.

Positioned to the right is a generously proportioned living/dining room, enjoying windows to both the front and rear elevations, allowing for excellent natural light throughout the day. The living area features a gas fire and is finished with carpeted flooring, while the dining area is laid with 22mm solid oak flooring, which continues seamlessly through the hallway, creating a cohesive and high-quality finish.

A door leads through to the kitchen, fitted with a range of oak wall and base units complemented by laminate work surfaces and a stainless steel sink with drainer. There are freestanding appliances, including a tall fridge freezer, washing machine, single large gas oven with separate grill, and a gas hob with extractor hood over. From the kitchen, a further door opens into a substantial garden room, finished with 15mm engineered beech flooring and French doors leading directly onto the rear patio and garden beyond.

The bungalow offers three well-proportioned double bedrooms, all served by the family bathroom, which comprises a large walk-in shower, WC, wash hand basin, and a cupboard housing the gas central heating boiler. In addition, there is a separate WC, which, subject to the necessary consents, could be reconfigured to create an en-suite facility to the principal bedroom.

Externally, the property benefits from a front garden laid predominantly to lawn and enclosed by a mature hedge, providing privacy from the roadside. A lengthy driveway offers ample off-street parking and leads to a garage with electric doors, along with a useful utility area to the rear currently housing the tumble dryer.

The rear garden enjoys a desirable south-westerly aspect and offers a high degree of privacy. It features an attractive raised patio area ideal for outdoor dining and entertaining, a lawned section, and well-established plants and shrubs, creating a pleasant and sheltered outdoor space.
