DESCRIPTION

The property is entered via an entrance vestibule, with a door leading into the main hallway where stairs rise to the first floor. The ground floor hallway provides access to the kitchen, living room, and a modern downstairs shower room, complete with a walk-in shower, wash hand basin, and WC.

The living room is a generous space, offering ample room for both seating and a dining area. A log burner creates a cosy focal point, while doors lead through to the conservatory. A further door from the living room provides access to the kitchen, which is fitted with a range of wall and base units, a one-and-a-half sink with drainer, an eye-level oven, and a gas hob with extractor over.

From the kitchen, a step leads down to the utility room, which provides space for a washing machine and an American-style fridge freezer (both of which may be included in the sale), along with additional storage cupboards and a sink.

To the first floor, there are five bedrooms, comprising four doubles and one single room, which could also be utilised as a home office. The principal bedroom benefits from dual aspect windows and an en-suite shower room with walk-in shower, wash hand basin, and WC. One of the additional double bedrooms features built-in wardrobes.

The family bathroom is well-appointed, offering a bath, separate shower, WC, wash hand basin, and a useful storage cupboard.

Externally, the property benefits from an integral garage and a wrap-around garden, which has been newly landscaped and is laid mainly to lawn, enclosed by newly installed timber fencing. The garden also features a paved patio area, decorative stone sections, and well-stocked borders with mature bushes and shrubs. A timber summer house and timber wood store are both included in the sale.

To the front, there is off-street parking available on the driveway, along with an additional parking space located to the left side of the property.
