DESCRIPTION

This well-presented four-bedroom detached family home offers spacious and versatile accommodation throughout, making it an ideal property for families seeking both comfort and practicality.

The property is entered via a front door into a welcoming entrance hall with stairs rising to the first floor and doors leading to the main living accommodation. The hallway also provides access to the downstairs WC, which features a modern suite comprising a WC and wash hand basin, along with a useful understairs storage cupboard.

To the front of the property is the spacious living room, featuring a bay window allowing plenty of natural light to flood the room, creating a bright and inviting space. The room also benefits from a log burner, providing a cosy focal point for the evenings. A further reception room, currently used as an office, offers excellent flexibility and could also be utilised as a playroom, snug or additional sitting room.

To the rear of the property is the impressive kitchen/dining room, fitted with a range of solid oak wall and floor units complemented by matching worktops and incorporating a Belfast sink. Integrated appliances include an eye-level oven, electric hob with extractor hood over and built-in wine fridge, with additional space available for an American-style fridge freezer. There is ample space for a dining table and chairs, making this a fantastic family and entertaining space, with French doors opening out onto the rear garden. A door leads through to the utility room, which is fitted with matching wall and floor units and provides space and plumbing for both a washing machine and tumble dryer.

To the first floor there are four good-sized bedrooms and a stylish family bathroom. The accommodation includes two particularly spacious bedrooms with dual aspect windows, one benefiting from built-in wardrobes. The master bedroom is a generous room with fitted wardrobes and an updated en-suite shower room, comprising a walk-in shower, vanity sink unit and WC.

The family bathroom has also been recently upgraded and provides a contemporary finish, featuring a freestanding bath, separate shower enclosure, navy vanity sink unit and WC. The room is completed with stylish baby pink tiling, creating a modern and elegant space.

Externally, the property enjoys a beautifully maintained rear garden, featuring a large paved patio area leading onto a lawn with mature planted borders containing a variety of bushes and shrubs. A raised planter constructed from sleepers complements the garden, while a composite decking area with pergola provides the perfect space for outdoor seating and entertaining. The garden is fully enclosed with timber fencing and benefits from a useful side gate access.

To the front, the property offers a driveway providing ample off-street parking and access to the detached oversized garage, which benefits from a workshop area to the rear. The garage benefits from both a main garage door and a separate pedestrian door, providing excellent storage and workspace. The front garden is low maintenance with mature planting, while the property enjoys an attractive outlook over a green space with grass and established trees beyond.

Overall, this impressive home combines generous living accommodation with modern upgrades and excellent outdoor space, creating a superb family property in a desirable setting.
