Description:

Four bedrooms, a field for a neighbour, and space for whatever comes next.

Tucked into the popular Oakalls development in Bromsgrove, this detached four-bedroom home backs directly onto mature trees and open playing fields, with nothing but green behind you. Inside, a modern kitchen and a generous conservatory give the ground floor real breathing room, while upstairs the four bedrooms are all generously sized, including a master with en-suite. Add a level rear garden, driveway parking for two cars, and a garage with power already wired in, and you've got a family home that works as hard as its setting.

We asked them what made them buy it...

"It was the layout that won us over, and being detached made a real difference. We're walking distance to the kids' schools, which mattered hugely to us, and getting onto the M42 or M5 has never been a hassle, life just runs smoother from here. The Oakalls has that settled, community feel, the kind of place where you get to know people over time."

What about the house itself?

"The conservatory and the new kitchen are the two things every guest mentions the moment they walk in. But honestly, we spend most of our time in the sitting room, that's where the family actually gathers. The garden's had a lot of love from us over the years, tea out there on summer evenings, barbecues with friends, and it's the space we'll miss most when we go, that and the field behind us."

Our agents say...

There's real flexibility built into this one. The garage is fitted with power and could easily become a home office or extra living space, and with driveway parking for two cars plus a CCTV system already in place, the practical side is well covered. It also sits within catchment for Bromsgrove's three-tier schooling, Finstall First, Aston Fields Middle, and South Bromsgrove High, with easy reach of the M5, M42 and A38 beyond. Homes on this road that

back onto open fields don't come up often. Get in touch today to arrange a viewing.

Need a mortgage?

We recommend Wisser Mortgage Advice. They will search the market for you to ensure you get the right lender and mortgage deal. They typically achieve mortgage offers much more quickly than if you were dealing with lenders directly. The initial appointment is free and without obligation. Property to sell?

If you need to sell a property in order to buy, you ideally need to be on the market at least (and preferably Sold STC) before viewing, otherwise you may lose out to other buyers when the right property comes along. In these circumstances we can get your property 'live' quickly. Just book a free valuation and we will visit your property and discuss your needs.

Need a solicitor?

A good solicitor can save you literally weeks of time in the buying/selling process, reducing the stress levels of all involved. We will instruct a reputable firm that is competitive on cost and very reliable. Just ask for a quote.

Identity Checks

Estate Agents are required by law to conduct anti-money laundering checks on all those buying a property. We have partnered with a third party supplier to undertake these who will contact you once you have had an offer accepted on a property you wish to buy. The cost of these checks is £99 + VAT per buyer and this is a non-refundable fee. These charges cover the cost of obtaining relevant data, any manual checks and monitoring which might be required. This fee will need to be paid and the checks completed in advance of the issuing of a memorandum of sale on the property you would like to buy.
