Description:

Approved planning permission is already in place for a substantial ground floor kitchen/dining room extension incorporating a sky lantern, and the property itself is a prime example of a modern four-bedroom semi-detached townhouse arranged over three floors. The property is located within the sought-after Norton Farm residential development in Bromsgrove.

Internally, the well-presented accommodation briefly comprises an entrance hall, a ground floor WC, an office/potential fourth bedroom, and a contemporary open-plan kitchen/dining/family room. The kitchen is fitted with a range of wall and base units, an integrated oven with hob and extractor hood over, and double-glazed French doors opening onto the rear garden.

To the first floor, the landing provides access to a well-proportioned lounge and a main bedroom featuring integral wardrobe storage and a modern en-suite shower room. A further staircase rises to the second floor, where there are two additional double bedrooms and a modern family bathroom.

Externally, the property enjoys a low-maintenance, landscaped rear garden with a paved patio, artificial lawn, external security lighting and a side access gate. To the front, there is a driveway providing parking for two vehicles and access to a separate garage, which is equipped with fitted sockets and lighting.

Additional benefits include gas central heating, double glazing throughout, a house alarm system, Hive smart heating and the remainder of the NHBC warranty.

The Norton Farm development is particularly popular due to its proximity to a choice of well-regarded schooling for all ages and Bromsgrove town centre, which offers a range of leisure facilities, restaurants, shops and pubs, together with convenient access to major road links including the M5 and M42.

Identity Checks

Estate Agents are required by law to conduct anti-money laundering checks on all those buying a property. We have partnered with a third party supplier to undertake these who will contact you once you have had an offer accepted on a property you wish to buy. The cost of these checks is £39 + VAT per buyer and this is a non-refundable fee. These charges cover the cost of obtaining relevant data, any manual checks and monitoring which might be required. This fee will need to be paid and the checks completed in advance of the issuing of a memorandum of sale on the property you would like to buy.
