Description:

Situated on a prestigious road within Aston Fields, Bromsgrove, is this generous three-bedroom detached bungalow occupying a sizable corner plot. The property is offered with no onward chain, featuring flexible accommodation and excellent potential.

The property is shielded from the road by a large wraparound hedge, adding privacy to the impressive south-facing lawned front garden, which continues around to the generous concrete print driveway accessed from Wellington Road. The driveway in turn leads to the garage, with a pathway to the left leading to the front entrance.

Once inside, the well-looked-after interior briefly comprises: a welcoming entrance hall, a spacious lounge offering a feature gas fireplace and walk-in bay window with views across the lawned frontage, and a good-sized open-plan kitchen/diner benefitting from a generous walk-in pantry store. From the kitchen, a rear hall provides access to the back garden and a ground-floor shower room.

The bedrooms are situated on the opposite side of the accommodation, including a dual-aspect bedroom one with large walk-in bay window and fitted wardrobe storage, a further double bedroom two, and a generous bedroom three. These are served by the principal bathroom suite, complete with shower over bath.

Moving outside, the property enjoys a low-maintenance rear garden, laid mainly to paved patio with raised planted beds, and rear access to both a workshop and an internal door through to the garage.

Further benefits include gas-fired central heating, double glazing, solar water heating panels, and a large loft space with potential for conversion (subject to relevant permissions).

Situated on the corner of Marlborough Avenue and Wellington Road in Aston Fields, this highly sought-after location lies to the east of Bromsgrove town centre. It offers ease of access to local shops, amenities, well-regarded state and private schooling including the prestigious Bromsgrove School, and Aston Fields train station with direct links into Birmingham, Worcester, and beyond. Aston Fields itself is known for its vibrant selection of trendy bars and restaurants, while Bromsgrove town centre provides further shopping, leisure facilities, and eateries, along with excellent road links via the M5 and M42.

Property to sell?

If you need to sell a property in order to buy, you ideally need to be on the market at least (and preferably Sold STC) before viewing, otherwise you may lose out to other buyers when the right property comes along. In these circumstances we can get your property 'live' quickly. Just book a free valuation and we will visit your property and discuss your needs.

Need a solicitor?

A good solicitor can save you literally weeks of time in the buying/selling process, reducing the stress levels of all involved. We will instruct a reputable firm that is competitive on cost and very reliable. Just ask for a quote.

Identity Checks

Estate Agents are required by law to conduct anti-money laundering checks on all those buying a property. We have partnered with a third party supplier to undertake these who will contact you once you have had an offer accepted on a property you wish to buy. The cost of these checks is £99 + VAT per buyer and this is a non-refundable fee. These charges cover the cost of obtaining relevant data, any manual checks and monitoring which might be required. This fee will need to be paid and the checks completed in advance of the issuing of a memorandum of sale on the property you would like to buy.
