Property to sell?

If you need to sell a property in order to buy, you ideally need to be on the market at least (and preferably Sold STC) before viewing, otherwise you may lose out to other buyers when the right property comes along. In these circumstances we can get your property 'live' quickly. Just book a free valuation and we will visit your property and discuss your needs.

Need a solicitor?

A good solicitor can save you literally weeks of time in the buying/selling process, reducing the stress levels of all involved. We will instruct a reputable firm that is competitive on cost and very reliable. Just ask for a quote.

Identity Checks

Estate Agents are required by law to conduct anti-money laundering checks on all those buying a property. We have partnered with a third party supplier to undertake these who will contact you once you have had an offer accepted on a property you wish to buy. The cost of these checks is £39 + VAT per buyer and this is a non-refundable fee. These charges cover the cost of obtaining relevant data, any manual checks and monitoring which might be required. This fee will need to be paid and the checks completed in advance of the issuing of a memorandum of sale on the property you would like to buy.
