Situated on the popular Lady Clementi development and within a short walk of Holmer Green Common, this end of terrace family home offers excellent potential and is ideally positioned close to the village centre. Holmer Green provides a wide range of local shops, pubs and amenities, along with the highly sought-after Holmer Green schools, making this an ideal home for families.

The property does require some updating, offering buyers the opportunity to modernise and add value, and is offered to the market with no onward chain. The accommodation comprises an entrance hall, a spacious living/dining room, kitchen, conservatory and a downstairs cloakroom. To the first floor there are three bedrooms and a family bathroom.

Occupying a generous corner plot, the property benefits from wrap-around gardens to the side and rear, providing excellent scope to extend further subject to the usual planning consents. To the front, the house is set back on a small, quiet pedestrian walkway, with a garage located in a nearby block, adding to the appeal of this well-located family home.
